

1 ***(January 5, 2004)***

2 ***Archaeological And Historical Objects***

3 The project area potentially contains cultural resources. At the discretion of the
4 Contracting Agency, the Contractor's operations will be monitored, and archaeological
5 testing will be conducted, at the Contracting Agency's expense.

6
7 The Contractor may be required to conduct operations in a manner that will reserve
8 portions of the work area for testing and exploratory operations.

9
10 Added work necessary to uncover, fence, dewater, or otherwise protect or assist in
11 salvage as ordered by the Engineer shall be paid by force account as provided in
12 Section 1-09.6.

13
14 To provide a common basis for all bidders, the Contracting Agency has entered an
15 amount for the item "Archaeological and Historical Salvage" in the Proposal to become
16 a part of the total bid by the Contractor.
